**AMENDED AND RESTATED DEED RESTRICTIONS
FOR
ASPEN MESA HOME OWNERS ASSOCIATION**

These Amended and Restated Deed Restrictions for Aspen Mesa Home Owners Association (“Deed Restrictions”) are made effective upon recording.

RECITALS

A. The Deed Restrictions for Aspen Mesa were recorded July 18, 1968, at Reception No. 108512, Eagle County Clerk and Recorder, and the Deed Restrictions for Aspen Mesa Unit II were recorded March 3, 1970, at Reception No. 112730, Eagle County Clerk and Recorder (the “Original Deed Restrictions”) creating the community known as “Aspen Mesa Home Owners Association,” which community is governed and operated by the Association.

B. The Original Deed Restrictions established a common scheme and plan for the properties subject to it and to those properties conveyed to Owners consistent with the common scheme and plan.

C. The Original Deed Restrictions have been amended by those amendments and supplements recorded at the Eagle County Clerk and Recorder, as follows:

Recording Date	Reception No.
May 17, 1976	142638
January 17, 1978	161648

and any others of record.

D. The Original Deed Restrictions were reorganized and amended by the Reorganization and Amendment of Deed Restrictions for Aspen Mesa Estates recorded October 19, 1983, at Reception No. 267365, Eagle County Clerk and Recorder (“Reorganized Deed Restrictions”). The Reorganized Deed Restrictions have been amended by amendments and supplements recorded at the Eagle County Clerk and Recorder, as follows:

Recording Date:	Reception No.
April 16, 1985	307507
May 14, 1986	338109
August 9, 1991	455701

and any others of record.

E. Paragraph 25 of the Reorganized Deed Restrictions, as amended, provides that the Reorganized Deed Restrictions, “may be amended or terminated by a majority of the lot owners voting at a meeting of the Association duly called at which quorum exists or voting by mail in an election conducted by the Board of Directors in accordance with the Bylaws of the Association.”

F. These Amended and Restated Deed Restrictions do not change the allocated interests of the Lots and does not terminate the Community.

G. The purposes of the amendments in these Amended and Restated Deed Restrictions include, but are not limited to, the following: to delete declarant rights and responsibilities that are no longer applicable; to update the Original Deed Restrictions to comply with current state law; and to update provisions so as to allow the Association to efficiently operate the Community and deal with Community concerns.

H. Owners holding at least a majority of votes, at a duly called meeting where a quorum is present or by mail, desire to amend the Reorganized Deed Restrictions and have approved these Amended and Restated Deed Restrictions. Those approving these Amended and Restated Deed Restrictions have determined it to be reasonable and not burdensome.

The Reorganized Deed Restrictions, as amended, are replaced by these Amended and Restated Deed Restrictions ("Deed Restrictions").

ARTICLE 3. ASSOCIATION MEMBERSHIP, ALLOCATION OF VOTES, AND ALLOCATION OF LIABILITY FOR COMMON EXPENSES

Section 3.1 Mission Statement. The Association and the Governing Documents exist to help maintain the property values and assets of the Aspen Mesa Community. Other goals are to help promote harmonious community living, preserve the common scheme and design, and create a sense of fairness and equity among Members. These Deed Restrictions have been designed to promote voluntary compliance. By fostering positive interaction with one another and working collaboratively on common issues and concerns, the Community will strive to maintain property values and assets.

[NOTE: This section has been added. There is no requirement for a mission statement. If you prefer to delete this section, please let us know.]

Section 3.2 Membership. Every Person who is a record Owner of a fee interest in any Lot subject to these Deed Restrictions is a Member of the Association. Membership is appurtenant to and may not be separated from ownership of any Lot. Ownership of a Lot is the sole qualification for membership. No Owner, whether one or more Persons, will have more than one membership per Lot owned. Membership does not include Persons who hold an interest as security for the performance of an obligation, but granting a security interest will not terminate the Owner's membership.

(a) Voting. The Owner(s) is entitled to one vote for the Lot. When more than one Person holds an ownership interest in any Lot, the vote for the Lot will be exercised as those Owners determine among themselves, otherwise the Lot's vote will be suspended if more than one Person seeks to exercise it.

(b) Common Expenses. Except as provided elsewhere in the Governing Documents, the amount of all Common Expenses will be assessed equally among all Lots.

[NOTE: This section incorporates elements of Paragraph 13 of the Reorganized Deed Restrictions (including changes as provided in the Second and Third Amendments thereto). Additional provisions regarding voting are addressed in the proposed Amended and Restated Bylaws.]

ARTICLE 4. EASEMENTS AND COMMON AREA

Section 4.1 Greenbelt and Equestrian Easements. All areas designated "green areas" or "equestrian easement" on the recorded Plat(s) of Aspen Mesa or any amended plat thereof shall be reserved for approved use by individual Owners. Owners seeking approval shall follow procedures set forth herein for review by the Architectural Control Committee.

[NOTE: This section incorporates Paragraph 18, as modified by the Third Amendment to the Reorganized Deed Restrictions.]

Section 4.2 **Easement for Entry.** The Association has an easement to enter onto Lots, but not the Residences on the Lots, to exercise rights and perform obligations as set forth in these Deed Restrictions, provided that exercise of this easement does not unreasonably interfere with or impair the use of any improvements constructed on a Lot, and will be exercised only after reasonable notice to the Owner, except in cases of emergency, in which case notice is not required.

Section 4.3 **Utilities.** A blanket easement upon, across, over and under the Lots are shown upon the recorded plat of the Community, and other easements as may be established pursuant to the provisions of these Deed Restrictions or as may be granted by the Board of Directors of the Association.

Section 4.4 **Easements Deemed Created.** All conveyances of portions of the Community (including Lots) will be construed to grant and reserve the easements contained in this article, even though no specific reference to the easements or to this article appears in the conveyance.

Section 4.5 **Common Areas.** The Common Areas consist of all portions of the Community not located within the boundaries of a Lot that are owned or leased by the Association. The Common Areas will remain undivided, and no Owner or any other person is authorized to bring any action for partition or division of the whole or any part. Each Owner and the Association may use the Common Areas for the purposes for which they are intended, but no use will interfere with the lawful rights of other Owners.

[NOTE: Sections 4.2 – 4.5 have been added.]

ARTICLE 5. ASSESSMENTS

Section 5.1 **Purpose of Assessment.** The Association has the power to levy assessments. Assessments for Common Expenses are used to fulfill the Association's obligations pursuant to these Deed Restrictions and to promote the common benefit and enjoyment of the Owners and Residents in the Community as may be more specifically defined and authorized from time to time by the Association.

Section 5.2 **Personal Obligation For Assessments.** Each Owner covenants and agrees to pay to the Association: (a) annual assessments or charges; (b) special assessments; and (c) individual assessments which are established pursuant to the terms of these Deed Restrictions. These amounts are also the personal obligation of the Person who owned the Lot when the assessment fell due. The personal obligation to pay any past due sums due the Association does not pass to a successor in title unless expressly assumed.

Section 5.3 **Lien.** All assessments, together with charges, interest, costs, and reasonable attorney's fees actually incurred (including post-judgment attorney fees, costs and expenses), up to the maximum amount permitted by law, is a charge and a continuing lien upon the Lot against which each assessment is made. The Association has authority to record a notice of lien in the county's real property records evidencing the Association's lien. The Association's lien under this article is not subject to the provision of any homestead exemption as allowed under law. The lien has the priority set forth in the Act.

Section 5.4 **Payment of Assessments.** Assessments will be paid in the manner and on the dates fixed by the Association. No Owner is exempt from liability for or may withhold payment of assessments for any reason whatsoever, including, but not limited to, nonuse of the Common Area, the Association's failure to provide services or perform its obligations, or inconvenience or discomfort arising from the Association's performance of its duties.

Section 5.5 **Individual Assessments.** The Association has the right to add to any

Owner's assessment any amounts expended by the Association for the benefit of any individual Lot or resident thereof, including improvement, repair, replacement and maintenance specific to the Lot as authorized under the terms of these Deed Restrictions; repair, replacement and maintenance of any areas of Association maintenance responsibility caused by the negligent or willful acts of any Owner, Owner's guest, tenant, employee, licensee, or invitee; and all fines and costs assessed against an Owner and the Owner's Lot pursuant to the Governing Documents.

[NOTE: This section has been added.]

Section 5.6 **Delinquent Assessments**. All assessments and related charges not paid on or before the due date are delinquent, and the Owner is in default.

(a) If any assessment, fine, or charge is not paid in full within the time provided by the Association's collection policy:

(i) a late charge in an amount specified in the Association's collection policy may be imposed without further notice or warning;

(ii) interest at the rate specified in the Association's collection policy may be imposed without further notice or warning; and

(iii) upon 30 days written notice, the Association may accelerate and declare immediately due all of that Owner's unpaid installments. Upon acceleration, that Owner loses the privilege of paying assessments and charges in installments for that fiscal year, unless the Association, in its sole discretion reinstates the privilege.

(b) If any assessments, fines or other charges remain unpaid more than ten days after the due date, the Owner's right to vote will be automatically suspended until all amounts owed are paid in full, and the Association may institute suit to collect all amounts due pursuant to the provisions of these Deed Restrictions, the Bylaws, and Colorado law, including reasonable attorney's fees. Enforcement under this section is not dependent upon or related to other restrictions and/or other actions.

(c) If partial payment of assessments or other charges are made, the amount received will be applied as specified in the Association's collection policy.

(d) The Association may bring an action at law or in equity, or both, against any Owner personally obligated to pay the delinquent assessments or related charges and may foreclose its lien against the Owner's Lot. An action at law or in equity by the Association against an Owner to recover a money judgment for delinquent assessments or related charges may be commenced and pursued without foreclosing, or in any way waiving, the Association's lien.

(e) The Association shall have the right to withhold or discontinue the delivery of water to any Lot the Owner of which is in default or is delinquent in the payment of any assessment or charge; provided, however, that such discontinuance of the water supply to a Lot shall only be upon a two-thirds vote of the Members or Board of Directors of the Association at a meeting called specifically to discuss such discontinuance at which a quorum is present. Furthermore, no discontinuance shall be implemented until at least ten days following mailing of a written Notice of Intent to Discontinue Water Service sent, return receipt requested, to the Owner and occupant, if any, of the affected Lot at their last known addresses on record with the Association. This ten day period begins to run when all notices have either been accepted by the recipient or his agent or have been returned to the Association unclaimed.

(f) The Association's lien foreclosure or attempted foreclosure does not preclude the Association from foreclosing its lien again for any subsequent delinquent assessment or related charges. The Association may bid on or purchase any Lot at foreclosure or other legal sale, and acquire and hold, lease, mortgage, convey or otherwise deal with the Lot. If a lien foreclosure action is filed, and an Owner

abandons or vacates his Lot, the Association may apply for the appointment of a receiver for the Lot without prior notice to the Owner. The Association's rights are expressly subordinate to the rights of any holder of a first lien security interest as set forth in its deed of trust or mortgage (including any assignment of rents), to the extent provided under the Act.

[NOTE: This section is similar to Paragraph 13(C) as added by the Second Amendment to the Reorganized Deed Restrictions].

Section 5.7 **Budget and Assessment.** Prior to the beginning of each fiscal year, the Association will prepare a budget covering the estimated costs of operating the Community during the coming year, including an annual reserve contribution for replacement of improvements that are the Association's responsibility, and establish the annual assessment or installments for the coming year. The Association will deliver a summary of the budget to each Owner within 90 days after adopting the budget and set a date for an Association meeting to consider the budget, which meeting will occur within a reasonable time after delivery of the budget summary. The budget and the assessment will become effective unless disapproved at a duly called Association meeting by a majority of the total Association vote; provided, however, if a quorum is not obtained at the meeting called to ratify the budget, the budget will become effective even though a vote to disapprove the budget could not be called at this meeting. If the membership disapproves the proposed budget or the Association fails for any reason to determine the budget for the succeeding year, then until a new budget is determined, the budget in effect for the current year will continue.

The Association may propose a new budget at any time during the year. The approval procedure set forth in this section for budgets will also apply to a new budget proposed by the Association.

[NOTE: This section incorporates the budget procedure set forth in CCIOA that is mandatory for post-1992 communities. There are currently no budget procedures set forth in the Reorganized Deed Restrictions (and amendments thereto). Although not mandatory, this provision is recommended.]

(a) **Budget Meetings.**

(i) Effective for the first fiscal year beginning after July 1, 2018, the Board of Directors will prepare and approve a budget at least annually.

(ii) Within 90 days after the Board of Directors adopts the proposed budget, or such longer time as allowed by law, the Board will mail or deliver, including posting on the Association's website (if any), a summary of the budget to all owners, and set a date for a Member meeting (which may also be the annual meeting) to consider the budget.

(iii) Notwithstanding anything to the contrary, the Association's budget and assessments are determined by the Board of Directors as provided in these Deed Restrictions. The budget does not require approval or ratification by the Owners, nor may Owners vote to veto the proposed budget.

(iv) Following the budget meeting, written notice of any change in the annual assessment will be sent to each Owner.

The budget will not operate as a limitation on expenditures by the Association, but is an estimate of Common Expenses on which the Association bases the annual assessments.

[NOTE: This section has been added.]

Section 5.8 **Special Assessments.** In addition to the annual assessment provided for above, the Association may, at any time, and in addition to any other rights it may have, propose a

special assessment against all Owners in accordance with the meeting and notice procedures set forth above. Any special assessment (except as provided in these Deed Restrictions regarding repair or reconstruction of casualty damage to or destruction of all or part of the Community) will become effective unless disapproved at a duly called Association meeting by a vote of a majority of the total Association membership; provided, however, if a quorum is not obtained at the meeting, the special assessment will become effective even though a vote to disapprove the special assessment could not be called at this meeting. The special assessment may be payable in installments, as determined by the Association, and/or may provide for a discount for a lump sum payment.

[NOTE: This section revises Paragraph 13(c)(2) as provided in the Second Amendment to the Reorganized Deed Restrictions. Under CClOA, special assessments are levied using the same procedure as for the annual budget.

Section 5.9 **Statement of Account.** The Association will furnish to an Owner or the Owner's designee or to a holder of a security interest or its designee a statement setting forth the amount of unpaid assessments then levied against the Owner's Lot. The Association will deliver the statement personally or by certified mail, first class postage prepaid, return receipt requested to the inquiring party within 14 calendar days after the Association's registered agent receives the request by personal delivery or by certified mail, first class postage prepaid, return receipt requested. The information contained in the statement, when signed by the Association's treasurer or managing agent, if any, will bind the Association, the Board, and every Owner as to the person or persons to whom the statement is issued and who rely on it in good faith. The Association may establish a reasonable fee relating to the statement, which may incorporate any fees imposed by a managing agent.

[NOTE: This provision has been added.]

Section 5.10 **Surplus Funds and Common Profits.** Common profits from whatever source will be applied to the payment of Common Expenses. Any surplus funds remaining after the application of such common profits to the payment of Common Expenses will, at the option of the Board of Directors, be: (a) added to the Association's capital reserve account; (b) distributed to the Owners; or (c) credited to the next assessment chargeable to the Owners in proportion to the liability for Common Expenses attributable to each Lot.

[NOTE: This provision has been added.]

Section 5.11 **Borrowing.** The Association has the power to borrow money and assign future income, including the right to assign its right to receive Common Expense assessments.

[NOTE: This provision has been added. It gives the Board the authority to assign assessment income (the collateral typically requested by banks for a loan). A requirement for Owner approval may be added is so desired.

ARTICLE 6. MAINTENANCE RESPONSIBILITY

Section 6.1 **By the Owner.** Each Owner is obligated to maintain and keep in good repair all portions of the Owner's Lot consistent with the Community-Wide Standard. This maintenance responsibility includes, but is not limited to the following:

(a) **Improvements.** Each Owner is responsible for maintenance, repair and replacement of the property and Improvements located within their Lot boundaries, including exterior lighting, decks, patios, driveways, sidewalks (including snow removal), doors, garage doors, windows and painting or staining the exterior surfaces of the Residence and any other approved Improvement on the Lot.

(b) **Landscaping.** Each Owner is required to maintain the landscaping on the Lot in

a safe, neat, attractive and well-kept condition, which includes: lawns mowed regularly; hedges, shrubs, and trees pruned and trimmed; adequate watering; replacement of dead, diseased or unsightly vegetation; and regular removal of weeds and debris. Landscaping will not be maintained in any manner that impairs the ability of drivers to have unobstructed views from the street.

Each Owner must perform his obligations in a manner that does not unreasonably disturb other Owners and Residents. Any maintenance or repair performed on or to the Common Areas by an Owner or Resident (including, but not limited to landscaping of Common Areas) will be performed at the Owner's sole expense and the Owner or Resident is not entitled to reimbursement from the Association even if the Association accepts the work.

[NOTE: This section incorporates and expands elements of Paragraph 16 of the Reorganized Deed Restrictions.]

Section 6.2 **By the Association.** The Association will maintain and keep in good repair as a Common Expense the Common Areas of the Community. The foregoing maintenance will be performed consistent with the Community-Wide Standard.

If the Association determines that the need for maintenance, repair, or replacement of the Common Areas is caused through the willful or negligent act of any Owner or Resident or their family, guests, lessees, or invitees, the Association may assess the cost of that maintenance, repair, or replacement against the Owner's Lot, which cost will become the Owner's personal obligation, a lien against the Lot, and collected as provided in these Deed Restrictions and the Association's collection policy.

(a) **Water Supply System.** The Association shall specifically, but without limitation, have the right to own, lease, operate, regulate, manage, and maintain any and all water rights, well permits and rights, water transmission lines, wells, storage tanks, pumps, mains, hydrants and the like within Aspen Mesa and to do all things necessary, including the levying of tap fees, assessments and other charges on Members, to support such activities in connection with such supply of water. Each Owner shall be required to obtain all domestic water from the Association. No water from any other source shall be allowed without the written consent of the Board of Directors of the Association first being obtained. Association water supplies shall be restricted for ordinary household uses within one single family residence on each Lot, fire protection, domestic animals, up to two (2) horses per Lot as further restricted herein, and the irrigation or watering of not more than 2,500 square feet of lawn and gardens. Association water shall not be used for irrigation of pastures, open spaces, or lawns in excess of said square footage per lot. The provisions hereof shall apply to all Lots within the Aspen Mesa Community. A violation of this provision shall be grounds for a termination or suspension of water services to any Lot, in addition to any other remedy for breach of these Deed Restrictions.

(b) **Assumption of Maintenance Responsibility.** The Association may provide for the care, operation, management, maintenance, repair, and replacement of all public roads and streets (to the extent necessary to supplement the maintenance function of Eagle County, Colorado, or any other successor governmental entity), all easements or rights-of-way established and provided for the public or some or all of the lot owners, all drainage easements or rights-of-way, pipes or facilities within Aspen Mesa and all aspects of a water supply system.

[NOTE: This section incorporates the obligations set forth Paragraph 13(A) in the Second Amendment and Paragraph 13(B) in the Third Amendment to the Reorganized Deed Restrictions

Section 6.3 **Failure to Maintain.** If the Association determines that any Owner has failed or refused to properly discharge his maintenance, repair, or replacement obligations, as provided in the Governing Documents, the Association will give the Owner written notice of the Owner's failure or refusal and of the Association's right to provide necessary work at the Owner's sole cost and expense. The notice will describe with reasonable particularity the work the Association deems necessary.

Unless the Association determines that an emergency exists, the Owner will have ten days to control weeds, grass, and/or other unsightly growth on the Lot and 30 days to complete maintenance or repair to the Residence or other Improvements on the Lot. If the maintenance or repair of the Residence or other Improvements on the Lot cannot reasonably be completed within such time period, the Owner must commence replacement or repair within 30 days. If the Association determines that: (a) an emergency exists or (b) the Owner has not complied with the Association's demand, the Association may perform the work, then assess the cost of that maintenance, repair, or replacement against the Owner's Lot, which cost will become the Owner's personal obligation, a lien against the Lot, and collected as provided in these Deed Restrictions and the Association's collection policy.

[NOTE: This section is related to Paragraph 21 as provided in the Second Amendment to the Reorganized Deed Restrictions. Enforcement generally is provided for elsewhere in these Deed Restrictions.]

Section 6.4 **Maintenance Standards and Interpretation.** The maintenance standards and enforcement and the interpretation of maintenance obligations under the Governing Documents may vary from one term of the Board to another term of the Board. These variances do not constitute a waiver of any right to adopt and enforce maintenance standards. No decision or interpretation by a prior Board constitutes a binding precedent with respect to subsequent Board decisions or interpretations.

[NOTE: This section has been added.]

ARTICLE 7. ARCHITECTURAL CONTROLS

Section 7.1 **Architectural Review Committee.** The Architectural Review Committee ("ARC") consists of three or more persons appointed by the Board of Directors. The Board of Directors may determine terms of office, fill vacancies, and may remove committee members, with or without cause. If the Board of Directors does not appoint committee members, the Board will serve as the ARC. The ARC may propose design guidelines from time to time, subject to the Board approval.

[NOTE: This section modifies Paragraph 14(A) in the Second Amendment.]

Section 7.2 **Approval Required.** No Owner will commence, place, erect, alter or demolish any Improvement to Property (as defined below) upon any portion of the Aspen Mesa Community without prior written approval.

Section 7.3 **Improvement to Property.** "Improvement to Property" requiring approval of the ARC, means and includes, without limitation: (a) construction, installation, erection or expansion of any building, structure or other Improvements, including utility facilities; (b) demolition or destruction, by voluntary action, of any building, structure or other Improvements; (c) grading, excavation, filling, or similar disturbances to the land including, without limitation, change of grade, ground level, or drainage pattern; (d) landscaping, planting, clearing or removing of trees, shrubs, grass or plants; and (e) any change or alteration of any previously approved Improvement to Property by an Owner or Owner's predecessor-in-title, including any change of exterior appearance, color or texture.

[NOTE: This provision is more broad than the restrictions currently existing in the Reorganized Deed Restrictions. The Design Guidelines can be amended to incorporate specifics regarding types of permissible buildings, new construction, etc. It is preferable to leave the general requirement of obtaining approval for improvements more general.]

Section 7.4 **Application Procedure.** The ARC may require that applications show exterior design, height, materials, color, location of the structure or addition to the structure or proposed Improvement to Property, location and size of driveways, walls, windbreaks and grading plan, as well as any other materials and information as may be required by the ARC and/or set forth in the Design Guidelines. Applications must be submitted to the Association's managing agent or other designated

person. Applications will be reviewed at ARC meetings. Owners submitting applications are responsible for providing documentation to the ARC regarding harmony of external design, effective location and use of existing Improvements and proposed Improvements to Property, preservation of aesthetic beauty and conformity with specifications and purposes generally set forth in these Deed Restrictions and the Design Guidelines. The ARC may require submission of additional plans, specifications, or other information prior to approving or disapproving the application. Notwithstanding Section 7.9 below, until the ARC has received all required materials in connection with the application, it may postpone review of any materials submitted for approval.

Section 7.5 **Authority of Association to Engage Consultants.** The Board has the authority to select and engage professional consultants to assist in reviewing applications and/or to inspect any of the work performed. The cost of any consultants are to be paid by the submitting Owner, whether or not the application is approved. Prior to incurring consultant costs, the Association will notify the Owner of its belief that review and/or inspections by consultants are necessary. The Owner will then have the right to withdraw the submission. The Association may require payment of costs prior to review.

Section 7.6 **Architectural Review Criteria.** The ARC will exercise its reasonable judgment with the objective that proposed Improvements to Property conforms to and harmonizes with the existing surroundings, Residences, landscaping and structures. The ARC's approval on matters coming before it will not be unreasonably withheld, and actions taken will not be arbitrary or capricious. Criteria for approval include, but are not limited to: (a) conformity and harmony of exterior appearances with neighboring structures, including design compatibility and scale; (b) color and materials to be used; (c) location on the Lot; (d) relation to the natural environment; (e) street visibility; (f) preservation of aesthetic beauty and conformity with the specifications and purposes generally set out in these Deed Restrictions and in the Design Guidelines, if any; and (g) any other matter the ARC deems to be relevant or appropriate.

Section 7.7 **Variances.** The ARC may recommend reasonable variances or adjustments from any conditions and restrictions imposed by the Governing Documents to overcome practical difficulties and unnecessary hardships resulting from the application of the conditions and restrictions contained in the Governing Documents. Any variance or adjustment recommended is subject to the Board of Director's written approval.

Section 7.8 **Reply and Communication.** The ARC will respond to Owner's application within 30 days of receipt of the completed application and all information the ARC reasonably requires, provided that the response time will be 45 days if a variance is requested or required. If the ARC fails to respond to the application within this time frame, then the applicant may send written notice, via certified mail, to the Association president and the Association's managing agent, that the applicant intends to proceed with the modification as identified in the application. Unless the Association issues a written disapproval of the application within 15 days of receipt of the applicant's notice, the approval will not be required and this article will be deemed complied with as to the items specifically identified in the application; provided, however, even if the requirements of this article are satisfied, nothing herein authorizes anyone to construct or maintain any Improvement to Property that is otherwise in violation of the Governing Documents or of any applicable zoning or other laws.

Section 7.9 **Commencement of Approved Work.** All Improvements to Property approved by the ARC must be commenced within six months from the date of approval. If not commenced within this time, then approval expires, unless the ARC gives a written extension to start the work. At a mutually agreed time, the ARC or its representative is authorized to enter the Lot to inspect the ongoing and completed work. All work must be performed in accordance with the plans as approved by the ARC, including any conditions the ARC imposed.

Section 7.10 **Completion of Approved Work.**

(a) All work approved by the ARC will be completed within 90 days from the date of commencement, unless the ARC otherwise agrees in writing. All approved Improvements to Property

must be completed in their entirety, unless the ARC otherwise agrees in writing.

(b) Upon completion, the Owner will give written notice of completion to the ARC. All applicable statute of limitations will be tolled until the Association receives the written notice of completion.

Section 7.11 **Notice of Noncompliance.** The Committee will issue the owner a notice of non-compliance if work is done without prior approval, or is not performed in accordance with the approved application, or is not completed within the required time frame. Within 45 days and at the Owner's sole cost and expense, the Owner must correct items listed in the notice of non-compliance or restore the Lot to the condition that existed prior to the commencement of the work.

Section 7.12 **Right to Appeal.** If the Board is not acting as the Committee, the applicant may appeal the Committee's decision to the Board of Directors by written appeal submitted to the Board within 20 days of the date that the ARC decision or notice is mailed to the Owner. The Board of Directors will review the decision of the ARC and all materials submitted to the ARC pursuant to the criteria set forth in this article and the Design Guidelines. The ARC's decision may be overruled and reversed by a majority of the directors by a written decision setting forth the reasons for the reversal when the Board concludes that the ARC's decision was not consistent with the criteria set forth in this article and the Design Guidelines, if any. If the Board denies the Owner's appeal, the Owner will have 45 days from the date of notice of the Board's decision to correct the noncompliance. If the Board does not issue its decision on any appeal within 60 days of the submission date, then appeal is deemed denied.

Section 7.13 **Limitation of Liability.** Neither the Association nor its directors, officers, committee members or agents will bear any responsibility for the design, quality, structural integrity or soundness of approved construction or modifications, nor for compliance with building codes, zoning regulations, and other governmental requirements. The Association, its directors, officers, committee members, and agents are not liable for any injury, damages or loss arising out of the manner, design, or quality of approved construction on or to modifications to any Lot. No lawsuit, action or claim may be brought against any of the foregoing for any injury, damage or loss.

Section 7.14 **No Waiver of Future Approvals.** The Association's approval of any proposals and applications for any work done or proposed, or in connection with any other matter requiring the Association's approval, is not a waiver of any right to withhold approval as to any similar proposals and applications.

[NOTE: This section have modified the provisions of Paragraph 14)

ARTICLE 8. COVENANTS

Section 8.1 **Owner Responsibility for Compliance.** Each Owner is responsible for ensuring that the Owner's family, guests, and Residents comply with all provisions of the Governing Documents. Each Owner and Resident will endeavor to observe and promote the purposes for which the Association was established. In addition to any rights the Association may have against the Owner's family, guests, or Residents as a result of the person's violation of the Governing Documents, the Association may take action under these Deed Restrictions against the Owner.

Section 8.2 **Use of Lots.**

(a) **Residential /Business Use.** Except as provided below, each Lot will be used for residential purposes only. Unless otherwise expressly authorized by the Act and subject to its terms, no trade or business of any kind may be conducted in or from a Lot or any part of the Community, except that the Owner residing in the Residence, or the Resident, may conduct ancillary business activities within the Lot so long as the business activity:

- Lot;
- (i) is not apparent or detectable by sight, sound, or smell from outside of the Lot;
 - (ii) does not involve visitation of the Lot by employees, clients, customers, suppliers or other business invitees in greater volume than would normally be expected for guest visitation to a Residence without business activity;
 - (iii) is legal and conforms to all zoning requirements;
 - (iv) does not increase traffic in the Community in excess of what would normally be expected for Residences in the Community without business activity (other than by a reasonable number of deliveries by couriers, express mail carriers, parcel delivery services and other similar delivery services);
 - (v) does not increase the insurance premium paid by the Association or otherwise negatively affect the Association's ability to obtain insurance coverage;
 - (vi) is consistent with the Community's residential character, and does not constitute a nuisance or a hazardous or offensive use, or threaten the security or safety of other Residents, as determined by the Association; and
 - (vii) does not result in a materially greater use of Common Area or Association services.

The terms "business" and "trade," as used in this section, have their ordinary, generally accepted meanings, and include, without limitation, any occupation, work, or activity undertaken on an ongoing basis that involves provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (i) the activity is engaged in full or part-time; (ii) the activity is intended to or does generate a profit; or (iii) a license is required for the activity.

[NOTE: This section modifies Paragraph 1. We have included comprehensive restrictions to address home occupations. If the Board prefers to be less restrictive or rely on zoning ordinances only, please let us know.]

(b) Occupancy. If an Owner is a corporation, partnership, trust or other legal entity the entity will designate in writing to the Association the name(s) of the natural person(s) who will occupy the Lot. The designated person(s) to occupy the Lot may not be changed more frequently than once every twelve months without the express written consent of the Association.

[NOTE: Recognizing that a corporate entity will have individuals residing in the Residence, this provision addresses potential use of a corporately owned Lot for transient occupancy.]

Section 8.3 Leasing. The Community is intended to be an owner-occupied community. However, any Owner has the right to lease or allow occupancy of a Lot upon terms and conditions the Owner deems advisable, subject to restrictions of these Deed Restrictions, any other restrictions of record, and the following:

(a) "Leasing" for the purposes of these Deed Restrictions is defined as regular, exclusive occupancy of a Lot by any Person other than the Owner, with or without consideration. For the purposes of these Deed Restrictions, occupancy by not more than one roommate of an Owner who occupies the Lot as his primary residence does not constitute leasing under these Deed Restrictions.

(b) Leases will be for or of the entire Lot. There will be no subleasing of Units or assignment of leases without prior written Association approval.

(c) Occupancies of less than twelve months of Lots are prohibited without the Association's prior written approval.

(d) All leases will be in writing and will provide that the lease is subject to the Governing Documents. The Association has the authority to require a particular lease form or addendum to implement the provisions of this section. Owners are required to provide Residents with copies of the current Deed Restrictions and Rules and Regulations.

(e) Each Owner who leases his Lot will provide the Association, upon request, a copy of the current lease (lease amount may be redacted) and tenant information, including the names of all Residents, vehicle descriptions, including license plate numbers, and any other information reasonably requested by the Association or its agents.

(f) All leases will state that the failure of the Resident or guests to comply with the Governing Documents is a default of the lease and these Deed Restrictions.

(g) All leases are subject to the Association's right to remove and/or evict the Resident for failure to comply with the Governing Documents. If the Association requests that the Owner evict the Resident, and the Owner fails to commence action within 30 days of the date of the Association's written request and notice, the Association may commence eviction proceedings. If Owner fails to comply with the request to evict, the Owner delegates and assigns to the Association the power and authority to evict the Resident as attorney-in-fact on behalf of and for the benefit of the Owner. If the Association evicts the Resident, any costs, including but not limited to attorney fees incurred and court costs associated with the eviction, will be an assessment and lien against the Lot.

(h) All Owners who reside at a place other than the Lot will provide to the Association an email address, physical address and phone number(s) where the Owner can be reached in the case of emergency or other Association business. The Owner is solely responsible to keep this information current.

(i) If a Lot is leased or occupied in violation of this section or if the Owner or Resident violates the Governing Documents, the Association will be authorized, in addition to all other available remedies, to levy fines against the Resident and/or Owner, and to suspend all voting privileges.

[NOTE: This section has been added. If the Association prefers not to include leasing restrictions, let us know and we can remove this section.]

Section 8.4 **Use of Common Areas.** There will be no obstruction of the Common Areas, nor will anything be kept, parked, or stored on or removed from any part of the Common Areas without the prior written consent of the Board, except as specifically provided herein. No exterior additions, alterations, or decorations may be made to any Common Area fencing, monument signage or landscaping. The Association may remove unattended personal property from Common Areas. The Association will not be liable to the Owner of any Lot or his Residents, guest, or family, for loss or damage, by theft or otherwise, of any property which may be stored in or upon any of the Common Areas or for the removal of such property.

[NOTE: This section has been added.]

Section 8.5 **Lot Combination.** Lots may not be combined with other Lots.

Section 8.6 **Subdivision.** No Lot may be further divided or subdivided, nor may any easement or other interest in less than the whole be conveyed by the Owner of the Lot without the prior written approval of the Association; provided, however, Association approval is not required for the transfer or sale of any Lot or for the granting of any security interest in the Lot. No Owner has the right to partition or seek partition of the Common Area or any Lot.

Section 8.7 **Temporary and other Structures.** No temporary house trailer, garage or outbuilding will be placed or erected upon a Lot except with the Association's prior written approval. Temporary structures are permissible for such reasonable periods as may be necessary for the construction of approved improvements. No temporary structure otherwise permissible under this Section 8.7 shall be used as a residence, even temporarily.

Section 8.8 **Drainage.** There will be no interference with the established drainage patterns over any property within the Community, unless adequate provision is made for proper drainage and approved by the ARC. In the event of any such interference where there has been no adequate provision made for proper drainage, the Owner interfering with the established drainage patterns will be liable for any damage resulting from such interference.

Nothing herein may be construed to affect the rights of an aggrieved Owner to proceed individually against a violator of this section for relief from interference with his or her property rights, and the Board may, in its discretion, require the aggrieved Owner to seek redress personally for interference with the Owner's property rights before the Association intervenes and commences enforcement action hereunder. No claim for any loss, damage or otherwise will exist by an aggrieved Owner against the Association for failure to enforce the provisions hereof if the aggrieved Owner has not pursued all available remedies against the violator for redress provided under Colorado law.

[NOTE: This section expands Paragraphs 6 and 16.]

Section 8.9 **Landscaping Requirements.** All landscaping is subject to the approval of the ARC. Grass, shrubs and trees will be maintained in an attractive, healthy, live and growing condition, as more particularly provided for in these Deed Restrictions. No artificial plants, artificial grasses or flowers may be placed on the Lot as exterior landscape materials unless approved by the ARC.

Section 8.10 **Prohibition of Damage, Nuisance and Noise.** Without the prior written consent of the Board of Directors, nothing will be done or kept on a Lot or the Community that would be in violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirements of any governmental body, or which would increase the Common Expenses.

Noxious, destructive, offensive or unsanitary activities may not be carried on within the Community. No Owner or Resident may use or allow the use of the Lot or any portion of the Community at any time, in any way, that may endanger persons or property, unreasonably annoy, disturb or cause embarrassment or discomfort to other Owners or Residents, or constitute a nuisance. The intention of this provision is to grant the Association and aggrieved Owners and Residents a right of redress for actions, activities or conduct which unreasonably disturbs or impairs the peaceful and safe enjoyment.

Nothing in this section will be construed to affect the rights of an aggrieved Owner or Resident to proceed individually against a violator for relief from interference with his property or personal rights. The Board may, in its discretion, require aggrieved individuals to seek redress personally for interference with their rights before the Association intervenes and commences enforcement action. No aggrieved Owner or Resident will have a claim against the Association for failure to enforce the provisions of this section if the aggrieved Owner or Resident has not personally pursued all available remedies against the violator for redress provided under Colorado law.

[NOTE: This section is similar to, and expands, Paragraph 9 of the Reorganized Deed Restrictions.]

Section 8.11 **Animals.**

(a) No animals, livestock, or poultry other than household pets shall be kept on any lot, except as otherwise stated in the Section 8.11. Horses may be kept and maintained if a special written variance from the Architectural Control Committee and the written consent of all adjacent Lot

Owners are first obtained; provided, however, that no such variance or consent shall be required to keep the same number of horses on any Lot as was there on September 19, 1984. Approval of any request for a variance shall be governed by such written criteria or regulations as the Architectural Control Committee may adopt. Any Lot Owner keeping horses on his Lot on September 19, 1984 shall be required to comply with the written criteria and regulations of the Architectural Control Committee governing the application of any stable and fencing, the construction plans for any stable and fencing, methods of confining such horses on the Lot, and maintenance of all areas containing such horses in a safe and sanitary condition.

(b) All animal owners are responsible for the control of their animals. The Board of Directors of the Aspen Mesa Home Owners Association shall have the authority to require any Owner to restrain or otherwise prevent any animal from interfering with the pleasurable use and occupancy of any other Lot Owner. The Association may adopt additional Rules and Regulations to supplement this section.

(c) Following notice and an opportunity for a hearing, the Association may require any pet that, in its opinion, endangers the health of any Owner or Resident or creates a nuisance or unreasonable disturbance, be permanently removed from the Community upon ten days written notice.

(d) Any Owner or Resident who keeps or maintains any pet within the Community is deemed to agree to indemnify and hold the Association, its directors, officers, and agents free and harmless from any loss, claim or liability of any kind or character whatever arising by reason of keeping or maintaining the pet within the Community.

[NOTE: This section is similar to Paragraph 3 in the First Amendment.]

Section 8.12 Unightly Articles. No unightly article will be permitted to remain on any Lot or other portion of the property if it is visible from adjoining property or public or private thoroughfares. Without limiting the generality of the foregoing, trailers, mobile homes, recreation vehicles, graders, trucks (other than pickups), boats, tractors, campers, wagons, buses, sleighs, motorcycles, motor scooters, snowmobiles, snow removal equipment and garden and maintenance equipment, will be kept at all times (except when in actual use) in an enclosed structure or otherwise fully screened from view in a manner consistent with these Deed Restrictions, such as approved fencing and structures. Service areas, storage areas, compost piles and facilities for hanging, drying or airing clothing or household fabrics will be appropriately screened from view. Liquid propane, gas, oil and other exterior tanks will be kept within an enclosed structure.

[NOTE: This section is similar to Paragraph 8.]

Section 8.13 Trash and Sewage Removal Restriction.

(a) No lumber, grass, plant waste, shrub or tree clippings, metals, bulk materials, scrap, refuse or trash will be kept stored or allowed to accumulate on any portion of a Lot except within an enclosed structure or in a garage; provided, however, that normal household waste can be set out in trash cans the evening before scheduled garbage pick-up and must be removed and returned to their enclosed structure by evening of the day of garbage pick-up. All equipment for the storage or disposal of such materials will be kept in a clean and sanitary condition.

(b) Each Lot Owner shall be required to comply with all current governmental regulations and building codes concerning sewage disposal.

[NOTE: This section supplements the trash removal restrictions set forth in Paragraph 8. We have added language to address the placement and removal of trash cans. If you would like to modify the times or eliminate this requirement, please let us know.]

Section 8.14 Vehicles and Parking.

(a) Prohibited Vehicles. No unlicensed vehicles may be parked on the Lots or Common Areas. No stored or abandoned or inoperable vehicles of any kind may be stored or parked on the Lot or Common Areas. An "abandoned or inoperable vehicle" is defined as any passenger car, truck, motorcycle, boat, trailer, camper house trailer, self-contained motorized recreational vehicle, or other similar vehicle, which for a period of two days or longer, does not have an operable propulsion system installed therein, has one or more flat tires or has another condition preventing the regular and normal operation and movement of the vehicle. A vehicle will be considered "stored" if it remains in the same location in the Community for 14 consecutive days or longer without prior written Board permission.

(b) Parking. There shall be no on-street parking. Each Lot Owner shall make appropriate arrangements for off-street parking for himself and his guests. Any Dwelling constructed upon a Lot shall have a garage or carport of sufficient size to enclose one (1) full-sized automobile.

(c) Enforcement. If any vehicle is parked on any portion of the Community in violation of this section or in violation of the Rules and Regulations, the Board or agent of the Association may place a notice on the vehicle specifying the nature of the violation and stating that after 24 hours the vehicle may be towed. The notice will include the name and telephone number of the person or entity that will do the towing. If 24 hours after such notice is placed on the vehicle the violation continues, or occurs again within six months of such notice, the Board or agent of the Association may have the vehicle towed in accordance with the notice, without further notice to the vehicle owner or user.

If a vehicle is towed in accordance with this section, neither the Association nor its directors, officers or agents will be liable to any person for any claim of damage resulting from the towing. Notwithstanding anything to the contrary herein, the Board may elect to impose fines or use other available sanctions, rather than exercise its authority to tow.

[NOTE: This section updates Paragraph 8's restriction on inoperable vehicles. If the Association desires to prohibit recreational vehicles, trailers, boats, or other types of vehicles please let us know and those prohibitions can be added. Subparagraph (b) incorporates Paragraph 10 of the Reorganized Deed Restrictions and garage requirement from the ARC provision of the Reorganized Deed Restrictions]

Section 8.15 Signs. Except as may be provided for herein or as may be required by state law or legal proceedings, no signs, advertising posters, political placards or billboards of any kind will be erected, placed, or permitted to remain on a Lot without the prior written consent of the Board or its designee, except as follows: (a) one professional security sign not to exceed one square foot in size may be displayed on Lot and a reasonable number of professional security decals not larger than eight inches by eight inches may be displayed within windows in a Residence; (b) one professionally lettered "For Rent" or "For Sale" sign not to exceed three feet by four feet in size may be displayed on a Lot being offered for sale or for lease; and (c) political signs as permitted by Colorado law; and (d) patriotic display of American flags not exceeding four feet by six feet in size attached to a flagstaff on a Residence. The Board has the right to erect reasonable and appropriate signs on behalf of the Association.

[NOTE: This provision has been added and it amends Paragraph 4 of the Reorganized Deed Restrictions. We have incorporated statutory language on size restrictions on "for sale/for lease" signs and flags and added a security sign/decal provision; and political sign restriction. If you need additional information on statutory requirements for political signs, please let us know.]

Section 8.16 Antennas and Satellite Dishes. Satellite dishes, antennae or other devices for the transmission or reception of television signals, radio signals or any form of electromagnetic wave or radiation will not be erected, used or maintained by Owners or Residents on any portion of the Common Areas except as allowed by federal law or with written approval of the Architectural Control Committee. However, the Association has the right to erect, construct and maintain these devices on the Common Areas.

[NOTE: This section amends Paragraph 17. It is consistent with the Federal Telecommunications Act.]

Section 8.17 **Hazardous Activities.** No activities will be conducted on a Lot and no Improvements will be constructed on a Lot that are, or might be, unsafe or hazardous to any person or property. Without limiting the generality of the foregoing, no firearms will be discharged upon the property, and no open fires will be lighted or permitted on any portion of the property, except in a contained barbecue unit while attended and in use for cooking purposes, or within an interior or exterior fireplace designed to prevent dispersal of burning embers.

[NOTE: This section is similar to Paragraphs 11 and 12.]

Section 8.18 **[OPTION: Restriction on Marijuana Use, Growth and Distribution]** Except for the growth and use of medical marijuana for personal use by the Resident as permitted by Colorado law, no Owner, Resident or other Person may use the Lot or any portion of the Lot for the use of marijuana by any means or for the purpose of growing or distributing marijuana. No Owner or Resident may grow medical marijuana for another person who is not a Resident of that Lot. No Lot may be used for the production or use of hash oil, whether for personal use or distribution. The restrictions in this section may be further clarified by the Board through rules and regulations. Owners will be responsible for any costs or damages resulting from a violation of this section.

[NOTE: This section has been added.]

Section 8.19 **Rules and Regulations.** The Board of Directors may adopt, amend and repeal rules and regulations concerning and governing the Residences, Lots and Common Areas to further the provisions of these Deed Restrictions and the general plan of development.

Section 8.20 **Use of the words Aspen Mesa, Aspen Mesa Community, and Aspen Mesa Home Owners Association.** Without the Association's prior written consent, Owners or Residents will not use the words Aspen Mesa, Aspen Mesa Community, Aspen Mesa Home Owners Association, or the logo of the Community or Association, if any, or any derivative thereof, if use is likely to cause confusion, mistake or deception, in the Association's sole discretion.

[NOTE: This section has been added.]

ARTICLE 9. INSURANCE

Section 9.1 **Insurance on the Lots.** Each Owner will obtain property and liability insurance covering loss, damage or destruction by fire or other casualty to the Improvements, installed or made to their Lot, the other property of that Owner, and any injuries occurring to the persons while on a Lot. The Association will not be liable for the failure of any Owner to maintain insurance.

Section 9.2 **Insurance to be Carried by the Association.** The Association will obtain and maintain in full force and effect, to the extent reasonably available and at all times, the insurance coverage set forth in these Deed Restrictions and as set forth in the Act. Insurance coverage includes the following and will be provided by financially responsible and able companies duly authorized to do business in the State of Colorado.

(a) **Property Insurance on Common Areas.** The Association will obtain property insurance covering loss, damage or destruction by fire or other casualty to any Improvements installed or made to any portion of the Common Areas and any other property that is the Association's maintenance responsibility in amounts as the Board determines. Property insurance may contain customary deductibles.

(b) Association Comprehensive/General Liability Insurance. The Association will obtain comprehensive/general liability insurance for the Common Areas and any other property the Association maintains, in amounts the Board determines from time to time. Coverage will include, without limitation, liability for personal injuries and operation of automobiles on behalf of the Association.

(c) Association Fidelity Insurance. The Association will obtain fidelity coverage to protect against dishonest acts on the parts of its officers, directors, trustees and employees and on the part of all others who handle or are responsible for handling the funds of the Association, including persons who serve the Association with or without compensation. The fidelity coverage should be in an amount sufficient to cover the maximum funds that will be in the control of the Association, its officers, directors, trustees and employees and others who are responsible for handling the funds of the Association.

(d) Directors' and Officers' Personal Liability Insurance. The Association will obtain directors' and officers' personal liability insurance to protect the officers, directors, Committee members and any other individuals acting at the Board's direction from personal liability in relation to their duties and responsibilities in acting on the Association's behalf.

(e) Other Insurance. The Association may obtain other insurance against other risks of similar or dissimilar nature as it deems appropriate with respect to its responsibilities and duties.

Section 9.3 Miscellaneous Terms Governing Insurance Carried by the Association.

The Association will maintain, to the extent reasonably available, insurance policies with the following terms or provisions.

(a) All insurance policies will provide that each Owner is an insured under the policy with respect to liability arising out of the Owner's membership in the Association.

(b) All insurance policies will contain waivers of subrogation against any Owner or member of the Owner's household.

(c) All insurance policies will contain waivers of subrogation and waivers of any defense based on invalidity arising from any acts of an Owner and will provide that policies may not be canceled or modified without at least 30 days prior written notice to all of the Owners, holders of first lien security interests and the Association, except in instances of nonpayment of premiums, which will require at least ten days' prior written notice.

(d) If requested, duplicate originals of all policies and renewals, together with proof of payments of premiums, will be delivered to all holders of first lien security interests at least ten days prior to the expiration of the policies.

(e) All liability insurance will cover the Association, the directors and officers, the manager or managing agent, if any, holders of first lien security interests, their successors and assigns, and Owners, with respect to Owner's liability arising out of Association membership.

(f) All Association insurance policies will be primary, if there is other insurance in an Owner's name covering the same risk.

Section 9.4 Insurance Premium. Insurance premiums will be a Common Expense included as a part of the Association's annual assessments.

Section 9.5 Managing Agent's Insurance. The managing agent, if any, will maintain insurance for its benefit, and will maintain and submit evidence of coverage to the Association. Insurance will include professional liability or errors and omissions insurance, workers' compensation, unemployment and fidelity coverage (unless the Association otherwise provides fidelity coverage).

Section 9.6 **Insurance Review.** The Board may review the insurance carried by the Association periodically, to determine the amount of insurance required and the service capabilities of the current carrier.

Section 9.7 **Claims and Adjustments by the Association.** Any loss covered by an Association insurance policy will be adjusted by the Association. The insurance proceeds for a loss will be payable to the Association and not to any holder of a first lien security interest. The Association will hold any insurance proceeds for the repair or restoration of the damaged property. The Association is not entitled to use insurance proceeds for other purposes unless there is a surplus after the damaged property has been completely repaired or restored.

Section 9.8 **Duty to Repair.** The Association must repair or replace promptly any portion of the Community for which insurance is required under this article that is damaged or destroyed, unless Owners entitled to cast 67% of the total Association vote agree not to rebuild.

Section 9.9 **Condemnation and Property Insurance Allocations and Distributions.** In the event condemnation proceeds or property insurance proceeds are distributed to the Owners, the distribution will be as the parties with interests and rights are determined or allocated by record and pursuant to the Act.

Section 9.10 **Responsibility for Payment of Deductible Amount.** Whether the Board, in its discretion, submits a claim under the Association's insurance policies or not, the Association will pay or absorb the deductible amount for any work, repairs or reconstruction for damage to property that is the Association's maintenance responsibility unless the damage is caused by the negligent or willful act or omission of an Owner, the Owner's family, guests, or invitees, in which case the Association will seek reimbursement of the deductible amount as an individual assessment in compliance with and under the terms of these Deed Restrictions.

Section 9.11 **Insurance Assessments.** If the insurance proceeds are not sufficient to defray the costs of reconstruction and repair for any reason, including the allocation of deductibles, the deductible or additional cost will be a Common Expense.

Section 9.12 **Damage to or Destruction of Residences on Lots.** In the event of damage to or destruction of structures on a Lot, the Owner will promptly repair or reconstruct the damaged structure in a manner consistent with the original construction or plans approved in accordance with these Deed Restrictions unless the Owner elects not to rebuild in cases of substantial damage or destruction. If the structure is substantially destroyed and the Owner determines not to rebuild or reconstruct, the Owner will promptly clear the Lot of all debris and continue to maintain the Lot in a neat and attractive condition consistent with these Deed Restrictions.

ARTICLE 10. AUTHORITY AND ENFORCEMENT

Section 10.1 Compliance With and Enforcement of Governing Documents.

(a) **Compliance Required.** Every Owner and Resident will comply with the applicable provisions of the Governing Documents. Any aggrieved Owner or Resident has the right to take action to enforce the terms of the Governing Documents against another Owner or Resident.

(b) **Association Remedies.** The Association may enforce all applicable provisions of the Governing Documents and may impose sanctions for their violation. Sanctions may include, without limitation:

- (i) imposing reasonable monetary fines, after notice and opportunity for a hearing, which will be a lien upon the violator's Lot;
- (ii) suspending voting rights;
- (iii) suspending any services provided by the Association to an Owner or the Owner's Lot if the Owner is more than 30 days delinquent in paying any assessment or other charge owed to the Association;
- (iv) exercising self-help or action to abate any violation of the Governing Documents in a non-emergency situation, subject to any requirements set forth in these Deed Restrictions, including those related to maintenance, repair or replacement, provided that the Association does not have the authority to enter the Residence;
- (v) requiring an Owner, at the Owner's expense, to cease any construction of any modification that has not been approved, or to remove any structure or improvement in the Lot or the Common Areas in violation of the Governing Documents and to restore the Lot or Common Areas to its previous condition and, upon the Owner's failure to do so, the Association has the right to enter the Lot or Common Areas, remove the violation and restore the Lot or Common Areas to substantially the same condition as previously existed and any action is not deemed a trespass;
- (vi) recording in the real property records a notice of violation identifying any uncured violation of the Governing Documents; and
- (vii) other remedies provided for in these Deed Restrictions or by applicable law.

(c) Emergencies and Legal Action. In addition, the Association may take the following enforcement procedures to seek compliance with the Governing Documents:

- (i) exercising self-help in any emergency situation (specifically including, but not limited to, towing vehicles that are in violation of any parking Rules and Regulations); and/or
- (ii) instituting any civil action to enjoin any violation or to recover monetary damages or both.

(d) Remedies Are Cumulative. All remedies set forth in the Governing Documents are cumulative of any remedies available at law or in equity.

(e) Costs Incurred By Association. If the Association exercises any of its rights pursuant to this section, all costs will be assessed against the violating Owner or Resident and will be a lien against the Lot. Additionally, subject to the Act, the Association will also be entitled to reasonable attorney fees actually incurred, which will be collected as an assessment.

[NOTE: This section expands upon Paragraph 21.]

Section 10.2 Failure to Enforce. The Board will have the discretion to determine whether enforcement action in any particular case will be pursued; provided that the Board will exercise judgment, be reasonable and not be arbitrary and capricious. Notwithstanding the above, no right of action will exist against the Association for failure of enforcement where: (i) the Board determines that the Association's position is not strong enough to justify taking enforcement action; (ii) a particular violation is not of such a material nature as to be objectionable to a reasonable person or justify the expense and resources to pursue; or (iii) the Owner or party asserting a failure of enforcement possesses an independent right to bring an enforcement action at law or in equity and has failed to do so. A decision of the Association not to pursue enforcement action will not be construed as a waiver of the Association's right to enforce such

provision at a later time under other circumstances or preclude the Association from enforcing any other provision of the Governing Documents.

[NOTE: This section has been added.]

ARTICLE 11. AMENDMENT OR TERMINATION

Except where a higher vote is required for action under any other provision of these Deed Restrictions or by the Act, in which case such higher vote will be necessary to amend such provision, these Deed Restrictions may be amended by the affirmative vote, written consent, or any combination of affirmative vote and written consent of the Lot Owners holding at least a majority of the vote at a duly called meeting of Owners or a majority vote by mail as permitted by the Association's Bylaws, where a quorum is present.

Notice of any meeting at which a proposed amendment will be considered will state the fact of consideration and the subject matter of the proposed amendment. The Association may seek approval of an amendment by mail ballot in accordance with the procedures outlined in the Bylaws. No amendment will be effective until certified by the President and Secretary of the Association, or such other officers as designated by the Board, and recorded in the Eagle County, Colorado real property records.

Notwithstanding the foregoing, the Board of Directors, without the necessity of a vote from the Owners, may amend these Deed Restrictions to correct any scrivener's errors, comply with any applicable state, city or federal law, and/or to bring the Community into compliance with applicable rules and regulations of the Federal National Mortgage Association ("Fannie Mae"), the Department of Housing and Urban Development ("HUD") and the Veterans Administration ("VA") pursuant to federal law.

Any action to challenge the validity of an amendment adopted under this article must be brought within one year of the effective date of such amendment. No action to challenge such amendment may be brought after such time.

[NOTE: This section revises and updates Paragraph 25. We have also provided authority for the Board to amend the Deed Restrictions in limited circumstances, and incorporated the statutory provision regarding the statute of limitations to challenge an amendment.]
